## **NADAV PALTI, CEO AND PRESIDENT DORI MEDIA, TO GIVE KEYNOTE AT MIP CANCUN**

Executives to Lay out Strategy and Exclusively Preview Upcoming Productions

**Paris, 8 August 2023 – MIP CANCUN** announced today that international media group **Dori Media**, currently in production across Mexico, Uruguay and Argentina, will be the subject of a keynote session at the forthcoming 10th edition of the industry's #1 international distribution and co-production market for Latin America and US Hispanic television (14-17 November).

Israeli-based **Dori Media Group's CEO and President Nadav Palti** will be joined on stage by **Chief Content Officer Joshua Mintz** to open the market's second full day at 09.00 on Thursday (16 Nov) at the **Moon Palace Hotel** in Cancun, Mexico. The pair will outline the company's diverse global content and distribution strategies, opportunities for co-production partnerships and give exclusive previews from their upcoming slate. The session marks a prolific 2023 for Dori Media with over a dozen series in production around the globe, spanning multiple territories, languages and cultures.

These include *Amia*, filmed across Uruguay and Argentina, inspired by the terror attacks in 1992 and 1994 against the Jewish community and told in Spanish, English, Hebrew and Persian languages, it premieres on Reshet 13 in Israel early 2024; the remake of globally successful and International Emmy-nominated romantic comedy *Lalola*, currently in production in Mexico City for ViX and distributed by Dori Media International; and *Hammam*, a modern Israeli-set enigmatic journey inspired by the kingdom biblical story of Saul and David set in an abandoned military base.

“Dori Media are global in their perspective, productions and partnerships...” said MIP CANCUN Director Maria Perez-Bellière, “...with a strong presence within LatAm, as part of an eclectic international slate they epitomise MIP CANCUN’s global/local axis. We look forward to hearing Nadav and Joshua’s insights and seeing previews from their incredibly productive year.”

Nadav Palti added "I am honored to return to MIP CANCUN as a Keynote speaker and share the stage with Joshua Mintz for a conversation about Dori Media, our content and worldwide productions - specifically in LATAM."

Established across the last decade, and famed for its signature pre-scheduled matchmaking programme, November’s **MIP CANCUN** is set to welcome back up a community of up to **1000 delegates** from over **40 countries**. These span buyers, producers and distributors from global studios and major players internationally and from across the Americas, convening for a comprehensive four-day conference programme in the world’s largest production hub for Spanish-language content.
